

Final Project: Symposium

250 points (25%): US 151, REC 291, CIS 291, ENG 099/101, and CS 136

In order to complete the symposium (final exam) assignment, you must consider the TWO components of the project: WEB-based and IN PERSON

In other words, for your in person component of the project, you must each:

Prepare 3-5 minutes “elevator speech”

Wear professional attire and behavior/presentation

Discuss Excursions (4) — You will be assigned

Discuss Guest Speakers (4)

Other aspects of the program that you should add reference to or copies include:

US 151: Academic Connections

Strong Interest Inventory

Resources on Campus

Resumes

REC 291: Interpersonal Connections, Demonstration of Concepts through Completion of Symposium Work as a TEAM...

Decision Making

Leadership Styles

Use of Power
