

Key to Abbreviations 1

Abbreviation	Meaning
PD	"Public Domain." This may be indicated on the work by a mention of the CC0 Public Domain Dedication tool and/or with its symbol  , or by the Public Domain Mark  , or the adapter may simply know, <i>e.g.</i> , because of its age, that a work is in the public domain.
BY	Creative Commons Attribution license, often indicated by the symbol  .
BY-SA	Creative Commons Attribution-ShareAlike license, often indicated by the symbol  .
BY-NC	Creative Commons Attribution-NonCommercial license, often indicated by one of these symbols, depending upon region  or  .
BY-NC-SA	Creative Commons Attribution-NonCommercial-ShareAlike license, often indicated by one of these symbols, depending upon region  or  .
BY-ND	Creative Commons Attribution-NoDerivatives license, often indicated by the symbol  .
BY-NC-ND	Creative Commons Attribution-NonCommercial-NoDerivatives license, often indicated by one of the symbols  or  .
ARR ©	“All-rights-reserved copyright.” This is the traditional form of copyright outside of open licensing approaches. It may be indicated on a work with the copyright symbol © together with the phrase “all rights reserved,” but not always: some works have the symbol © and then go on to add a Creative Commons license statement (since CC licenses <i>are built on top of copyright!</i>), and some works have no copyright statement at all but fall into the domain of all-rights-reserved copyright as a default.
GREAT	This remix is permitted without any additional permissions or conditions.
GOOD	This remix is permitted without any additional permissions under the condition: the remix, as well as any downstream adaptations which may be made in the future which have enough shared expression with whichever of works A and/or B was under a CC license to be considered as adaptations of those works, must give attribution to the original CC-licensed work(s) and creator(s).
CARE	This remix is permitted without any additional permissions under the condition: the remix, as well as any downstream adaptations which may be made in the future which have enough shared expression with whichever of the original works was under NC to be considered as adaptations of that work, may only be used for NonCommercial purposes and must give attribution to both original works and creators.
NO	This remix is not permitted without additional permissions.
